

DENTIRO® Light

Surface disinfectant for the residue-free disinfection of medical devices.

Intended Purpose

DENTIRO® Light is a perfume-free surface disinfectant for the rapid and residue-free disinfection of non-invasive medical devices such as operating tables, gurneys, IV poles, and dental chairs.

Intended User

The product is intended for use by dental and healthcare professionals who have knowledge of the disinfection of medical devices. The product must not be used directly on patients.

Instructions for Use

For your protection, wear disposable gloves and safety goggles. Completely moisten and wipe the entire surface of the medical device. Leave the disinfectant to act and adhere to contact time. Use on alcohol-compatible materials only. Before first use, check material compatibility on a small, inconspicuous area. A list of compatible and incompatible materials is available on our website. If you are unsure about the material composition of the medical device to be disinfected, contact the manufacturer before use. Any serious incident that has occurred in relation to the device should be reported to the manufacturer and the competent authority of the Member State in which the user and/or patient is established.

Limitation

FOR PROFESSIONAL USE ONLY. Not intended for use on invasive medical devices. Do not mix with other products. Ensure that all visible soiling has been removed before disinfection. Failure to adhere to these limitations may reduce the efficacy of the product, thereby increasing the risk of infection.

Handling

WARNING H226 Flammable liquid and vapour. H319 Causes serious eye irritation. P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P233 Keep container tightly closed. P280 Wear protective gloves/protective clothing/eye protection/face protection. P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P337 + P313 If eye irritation persists: Get medical advice/attention. P501 Dispose of contents/container in accordance with local and national regulations. Further information can be found in the Safety Data Sheet available on oroclean.com.

Storage

Store in a cool, dry and well-ventilated place. Keep away from direct sunlight, heat, and open flame. Storage temperature: < 30 °C. Dispose of the product after expiry date.

Physical Properties

Physical state: Clear, non-viscous liquid	pH-value: Neutral
Colour: Colourless	Shelf life: 36 months
Scent: Of alcohol	

Composition in 100 g

100 g contains 31.3 g ethanol, 16.7 g isopropanol, auxiliaries and water.

Effective Spectrum

Bactericidal	EN 13727* EN 16615^	60 sec
